

Ph.D. Psychologist

The provider is required to have a license to practice as a psychologist, according to ch. 455, Wis. Stats. This must be at the independent practice level (which meets Wisconsin Medicaid's HFS 105, Wis. Admin. Code, requirement).

If the effective date of the license is prior to October 1, 1991, the provider is required to have one of the following:

- A copy of his or her listing in the current National Register of Health Service Providers in Psychology as required under HFS 105, Wis. Admin. Code.
- A copy of documentation that shows he or she is eligible to be listed in the National Register of Health Service Providers in Psychology. The provider is required to include documentation of a doctorate that meets the National Register/Association of State and Provincial Psychology Boards' "Guidelines for Defining a Doctoral Degree in Psychology" with at least two years (minimum of 3,000 hours) of supervised experience in health service. One year (1,500 hours) must be post-internship, which meets the National Register's "Guidelines for Defining an Internship or Organized Health Service Training Program" as required under HFS 105.22(1)(b), Wis. Admin. Code.
